Physical	Inter-personal	Intra-personal	Impulse Control	Social Responsibility	Total InDUC Score	Control Scale*

INSTRUCTIONS: For each item, copy the circled number from the answer sheet next to the item number above. Then sum each column to calculate scale totals. Sum these totals to calculate the Total InDUC Score. The Control Scale (*) score is separate, and does not contribute to the Total InDUC Score. Zero scores on Control Scale items may indicate careless or dishonest responding. On version 2R (Recent Consequences), totals of 5 or less are suspect.
